**Lord, keep me seeking
The knowledge of Your grace
And when I'm weary
Let me look into Your face**

**Lord, keep me humble
Yielded to Your will
Ready to move Your mountains
Ready to follow still**

**Oh Lord, keep me singing
Fill my heart with song
Let me sing Your praises
Though the day be long**

**Lord, keep me willing
Ready to take a stand
And through the deep of the darkest night
Keep me in Your hand**

**Oh, through the deep of the darkest night
Keep me in Your hand**
