Lord, oh my Lord

Let the dawning of the day, find me on my knees

To seek Your will as I pray, mold my heart as You please

Lord, my Lord

Lord, oh my Lord

I am kneeling at this place, to listen to you alone

To seek the wonders of Your grace, as I approach the mercy throne

Lord, my Lord

Lord, oh my Lord

Let my work throughout the day, be a constant prayer

Praising You always, with Your will as my only care

Lord, my Lord

Lord, oh my Lord

Let the sunset of the day, find me on my knees

To sing Your praises as I pray, that You may be pleased

Lord, my Lord

Lord, oh our Lord

Let the dawning of each day, find us on our knees

To seek Your will as we pray, mold our hearts as You please

Lord, our Lord
